SCHEDULE OF EVENTS:

ESCAPE

- **10am-4pm:** Emergency demonstrations and displays throughout the day
- **11am:** Mud rescue exercise with the Burnham hovercraft and Coastguard
- **2pm:** Helicopter and RNLI rescue exercise in Bridgwater Bay.

WELCOME TO...

ESCAPE

Welcome to Burnham's 2005 ESCAPE Day, the annual 'Emergency Services Community Awareness and Promotion Event', when rescue crews from across Somerset gather together.

Organised by BARB, the group that runs Burnham's rescue hovercraft, there are more services involved this year than ever before.

They include the crews of Burnham Coastguard, Avon and Somerset

Constabulary, the Burnham hovercraft, the Burnham RNLI Lifeboats, Somerset Fire and Rescue, St John Ambulance and the county's Police dogs team.

There's lots to do and see for all the family, with a range of fun activities and educational displays for people of all ages.

While the event is completely free we would encourage you to support the rescue services and their brave crews who save the lives of many people every year.

Thank you for coming along; we hope you enjoy the day!

See a beach mud rescue unfold

One of the most dramatic displays at ESCAPE 2005 will be the full rehearsal of a mud rescue.

The hovercraft will take Burnham Coastguard's Mud Rescue Team to a

'casualty' in the mud and then show how they extract people.

The exercise, at 11am, will illustrate the real dangers of venturing out into the mud.

PLUS! Don't Miss:
